Add Images

Choose File No file chosen

To upload images to the estimate, go to the *Images Tab* and click on *Choose File*.

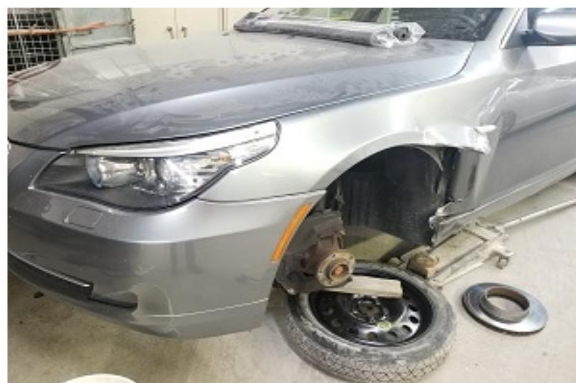

A prompt box will open for you to search your computer for the images. *Select 1 or more photos* at a time and click *Open*.

Add Images

Choose File No file chosen

The image will load onto the images page. Below each image you can use the *drop-down* menu to select the **section** of the vehicle in the photo and add a **note** if needed and click *Save*. If you upload the wrong photo or want to delete the photo click the *Delete* button.
